MEMORANDUM FOR: Office of Logistics/Procurement Division/Contract Branch/Administration Section

ATTENTION : [redacted] 25X1

THROUGH : TSS/Admin/Logistics Branch

SUBJECT : Request for a Feasibility Study to Manufacture Steel and Aluminum Cans.

REFERENCE : (1) Memorandum from AC/PD/OL to C/TSS/ED, dated 24 September 1954
(2) Memorandum from C/TSS/ED to OL/PD/CB, dated 24 March 1955

1. Reference (1) outlined the procedure required to obtain authorization to accomplish work under Research Order No. III, Contract AD-45. Reference (2) requested your office to extend the time of performance under this Research Order to 1 July 1956.

2. Attached is the Contractor's proposal to undertake a study to determine the feasibility of manufacturing stainless steel and aluminum cans. It is requested that authorization be granted to allow the Contractor to proceed with the work involved in accordance with the terms of the proposal. It is our intention to accomplish this work under Research Order No. III. The total cost for this work as contained in the proposal has been estimated to be $491.00.

PROPOSAL FOR CAN MATERIAL STUDY

This company proposes to investigate the feasibility of manufacturing stainless steel and aluminum cans. The contractor will contact can manufacturers and will evaluate any technical or financial difficulties involved in procurement or use of such cans.

The contractor will engage one project engineer for a total of sixty five (65) hours. A final report will be submitted upon completion of the task.
